FOR IMMEDIATE RELEASE

County Announces New Human Services Administrator

September 21, 2017 - CHAMBERSBURG, PA - The Franklin County Commissioners announce the hiring of Stacie M. Horvath as the new Human Services Administrator. A Johnstown native, Stacie graduated from Greater Johnstown High School and completed a Bachelors' of Science degree in Psychology from the University of Pittsburgh at Johnstown. She also has a Masters' degree in Health and Human Services and a Masters of Business Administration (MBA) degree. Both were obtained from Mt. Aloysius College in Cresson, PA.

Stacie has extensive work experience in the field of human services in various Pennsylvania counties, including Cambria, Somerset, Blair, and Westmoreland.

Ms. Horvath first worked within the human services field as a Sexual Assault/Crime Victim Witness counselor for Victim Services, Inc. She specialized in working with children and adolescents, while always focusing on the family unit. That position led to a Coordinator position for those services for two counties. Stacie has continued to successfully gain more responsibility throughout a 25+ year career working with various individuals within unique and challenging situations. Her positions included: Therapeutic Staff Support (TSS); Domestic Violence Shelter Worker; Group Home Counselor; Behavioral Specialist Consultant; County Case Administrator for Wrap-Around (Behavioral Health services); Early Childhood Director; County Children and Youth Administrator; and most recently the Chief of Staff for a non-profit human services provider agency.

Stacie and her family love to spend quality time together travelling, fishing, visiting amusement parks, watching movies, reading, and playing video games. The family will be relocating to the Franklin County area and is excited to learn more about the history of Franklin County while meeting new people.
