by Monday, March 21st

March's Lunch and Learn Series is all about foot and ankle health in seniors! Please join us, along with Dr. Michael Cashdollar, DPM, for an informative presentation on foot health, ankle trauma, wound care, and more, along with a great lunch! We hope to see you here!

Dr. Michael R. Cashdollar, DPM

Dr. Cashdollar is a native of Chambersburg and graduated from Chambersburg Area Senior High School. In 2002, he graduated from Duquesne University with a B.S. degree in Biology and completed his Doctorate in Podiatric Medicine in 2007 at the Temple University School of Podiatric Medicine. Dr. Cashdollar completed a three year surgical residency program through the West Penn Allegheny Health System in Pittsburgh, Pennsylvania.

Through the years he has done considerable research and has been published in various medical journals. He has extensive training in all aspects of foot and ankle surgery, including reconstructive surgery, diabetic limb salvage, foot and ankle trauma, and external fixation frame applications. He has current affiliations with the Chambersburg Hospital, Summit Surgery Center, Fulton County Medical Center, and Fulton County Wound Care Center.

Dr. Cashdollar is an active member of the American College of Foot and Ankle Surgeons, Virginia Podiatric Medical Association, and the American Podiatric Medical Association. He and his wife live in Chambersburg with their son and expect their second child this fall.
