**FOR IMMEDIATE RELEASE
Ribbon Cutting for Bridge 54, Fannett Township**

November 17, 2015 - CHAMBERSBURG, PA –

A ribbon cutting ceremony celebrating the completion of Store Lane Bridge (Bridge 54), located in Fannett Township, will be held at the bridge on **Friday, November 20, 2015 at 2:00 pm**. Please contact Kim Mills, in the Franklin County Commissioners Office, at (717) 261-3812 for additional information.

Franklin County Bridge 54 is located in Fannett Township and carries T-586, Store Lane, over the West Branch of Conococheague Creek. The bridge was replaced with a two lane structure with prestressed beams, a concrete deck and improved alignment, providing the community a safer traveling experience. The original bridge was constructed in 1930 and reconstructed in 1972.

Franklin County's Bridge Engineer, C.S. Davidson, Inc., designed the bridge replacement. Contractor Kinsley Construction, Inc. began the project in May 2015 and was completed, on schedule, in late October.
