Shippensburg**

November 17, 2015 - CHAMBERSBURG, PA –

Do you know where to turn when you have a problem or concern related to Human Services? Are you aware of the many services that are offered by your county?

Franklin County Human Services and Cumberland County Aging and Community Services are joining forces to provide information on the various services that are available to our county residents. To improve access and education on these services, representatives will be available December 15th, at Katie's Place from 10:00 am to 3:00 pm, to assist those seeking solutions to their current human service needs.

Later in the afternoon, Franklin County Human Services will be holding a Town Hall meeting from 3:00 pm to 4:30 pm, at The Harbor, 55 W King Street, Shippensburg. Members from each of the Franklin County Human Services Departments will be present to answer specific questions about their services, while a spotlight will focus on the topic of "*Housing Options and Chronic Mental Illness*". All are welcome to attend this free event.
