**FOR IMMEDIATE RELEASE**

**Substance Use Treatment for Veterans**

June 9, 2016 - CHAMBERSBURG, PA – The Franklin/Fulton Drug & Alcohol Program (Single County Authority) recognizes that there are Veterans in need of substance use services who struggle to receive them. Franklin/Fulton Drug & Alcohol is able to offer funding for Veterans in need of substance use treatment who reside in either Franklin or Fulton Counties. Funding can be utilized for Veterans to enter into treatment (detox, inpatient rehab, halfway house and outpatient) with a provider outside of the VA Health Care System.

Veterans in need of substance use treatment can contact the Franklin/Fulton Drug & Alcohol Program via phone at 717-263-1256 or via email at [ffda@franklincountypa.gov](mailto:ffda@franklincountypa.gov). Community members that would like more information about availability or accessing Veteran Affairs services can contact Franklin County Veteran Affairs at 717-263-4326 or via email at [veterans@franklincountypa.gov](mailto:veterans@franklincountypa.gov). Both Franklin/Fulton Drug & Alcohol and Franklin County Veteran Affairs departments welcome walk-in inquiries and are located in the Franklin County Human Services building at 425 Franklin Farm Lane in Chambersburg. Both departments are available Monday through Friday, 8:30 a.m. – 4:30 p.m.

We thank all that have and continue to serve our great Nation.
