Important Parking Announcement for Jurors reporting for Jury Duty

Due to the number of prospective jurors summoned for jury duty, please plan to arrive early as parking is limited.

Your Franklin County Jury Summons provides you with a link to visit online for additional Juror Information and Frequently Asked Questions which includes information about where to find parking. However, with preparations underway regarding the Court Facility Improvement Project, parking will be a challenge.

Please keep this in mind when reporting for Jury Duty. Allow extra time to find parking, to walk to the Courthouse, and dress appropriately for the weather elements as a line will form outside for entry through the metal detector.
