

## Weekenders Community Service Program

There is no fee, but you/your organization are responsible for transportation to and from the job site.  
The court appointed offenders are considered low-risk and do not require jail supervision.  
Your organization must provide all safety equipment and other necessary items to complete each job.  
The Weekenders are available Saturdays and Sundays ONLY, and must be returned no later than 5 pm on Sundays.  
We cannot guarantee the availability of volunteers, whether it is a specific number or general availability.  
You will be contacted the Thursday prior to your scheduled weekend with the exact number of available volunteers.  
First come, First served.
