

February 2019 **EMPLOYEE OF THE MONTH**

The Franklin County Commissioners on behalf of the Special Thanks And Recognition (STAR) Committee proudly present the Employee of the Month award to Ms. Stacie Horvath.

Ms. Horvath has been employed as the Franklin County Human Services Administrator since September of 2017. The selection for the February 2019 Employee of the Month was determined by the STAR Committee. There were a total of nine nominations.

The STAR nomination form asks what recent event or occurrence made you select Stacie and the answers include:

“Due to confidentiality I cannot share a lot of details, but what I can share is that I saw Stacie step up and help an employee and her family in a time of need and crisis. It was completely admirable that Stacie would make arrangements for her family to be available for an employee well into the evening when they were experiencing a crisis. She made sure the family was safe and they had what they needed. To work with individuals who have such a deep level of care and concern for our workforce is amazing. We often forget the great things that happen right before our eyes and when they do happen, they should be recognized. We also assume that "it's just part of the job" but it's not. To care and know that someone cares is incredibly important. I am thankful to work with people who care.”

Ms. Horvath's outstanding characteristics are attributes that have not gone unnoticed by her peers. The nomination form describes her as committed, dedicated, and compassionate.

We are grateful to Ms. Stacie Horvath as she exudes a high standard of customer service, excellence, and respect to the employees and residents of Franklin County.
