Franklin County Commissioners Recognize Employees for their Years of Service

October 15, 2018 – Chambersburg, PA – On Tuesday, October 9th, the Franklin County Commissioners honored 75 employees for their dedication to the county and its residents.

“We are sincerely grateful for how well you work to help the residents of our county. You do it with pride and professionalism—year after year,” said Commissioner Chairman Dave Keller in his opening remarks.

Certificates were given to employees reaching 5-year milestone work anniversaries (5, 10, 15, etc.) and ranged from 5 years to 35 years. The combined years of service of all employees being recognized totaled 975 years!

Commissioner Bob Thomas stated, “Each of us work in a different capacity, bringing a different strength to the table. A lot of the jobs performed at the County are stressful. We greatly appreciate you for bringing your strengths and passion to the daily performance of your job.”

“Franklin County offers innovative programs that are state and nationally recognized. You who are being honored today are our boots on the ground. These programs would be worth nothing if not for you doing your jobs well each day. We thank you,” said Commissioner Bob Ziobrowski.
