## EXEMPLIFIED COPIES

Exemplified copies are used when a Judge/Clerk Certification is needed.  
An example would be a marriage certification needed for an out of country purpose. If it is an out of country adoption, the certified copy of a marriage license must contain the Clerk of Courts signature. A deputy's signature is unacceptable.

## Letter of Non-Impediment

Person wanting letter of non-impediment can obtain more information at either Vital records or also the US Embassy (US Department of State).

This is to confirm there is no record of marriage.
