

## 2023 INTEGRITY AWARD

The nominated employee strictly adheres to the moral, legal, and ethical principles underlying our operations and service deliveries. An employee that embodies integrity upholds the highest standards of what is morally right or just, they set the example for those around them of how to have respect of the highest caliber while maintaining the highest standards of legal compliance. They are loyal, trust worthy, steadfast, strong, thorough, consistent, and above all else a voice of reason.
