The recipient of the Employee of the Year award values the contributions of other employees to the organization and provides encouragement, opportunities and resources to support them in reaching their maximum potential. The Franklin County Employee of the Year is chosen annually from among the 12 Employee of the Month recipients for that year.

“ I am truly honored and grateful to have received Employee of the Year, especially with so many other talented Employees of the Month. I love my job and aim to make sure employees are compensated properly and on time. The county is a wonderful place to work, and I am lucky to be part of such an amazing HR team. I want to thank my coworkers and leaders for their guidance and support over the years. ”
