ENGAGEMENT

Ashley McCartney
Fiscal

The recipient of the Engagement award works| to incorporate the needs, assets and perspectives of all aspects of the community into the design, implementation and delivery of programs.

This employee symbolizes the drive to inspire his or her coworkers, brings joy and a helping hand on the rough days, and knows how to share the little things that make coming and being at work more fulfilling. He or she is a mentor of the department, the helping hand for those who need it, the random-act-of-kindness employee, and passionate about his or her work and the organization.

“ I am truly grateful to receive the Engagement SERVICE award, and I want to share it with the wonderful people I work with. This award would not be possible without the support and hard work of the assistant fiscal director of Human Services, my fellow Human Service fiscal officers, the entire Fiscal department, and everyone in the Mental Health program. We all bring our unique skills and knowledge to the table, and together, we work to provide as many services as we can to the community. It is truly a team effort, and I am proud to be part of such a dedicated group!
